ABOUT

KID SEEN

BORN TO FLY.

Eyetopia Inc's Kid Seen was built for exactly this moment, arms wide open, full volume, nothing holding them back.

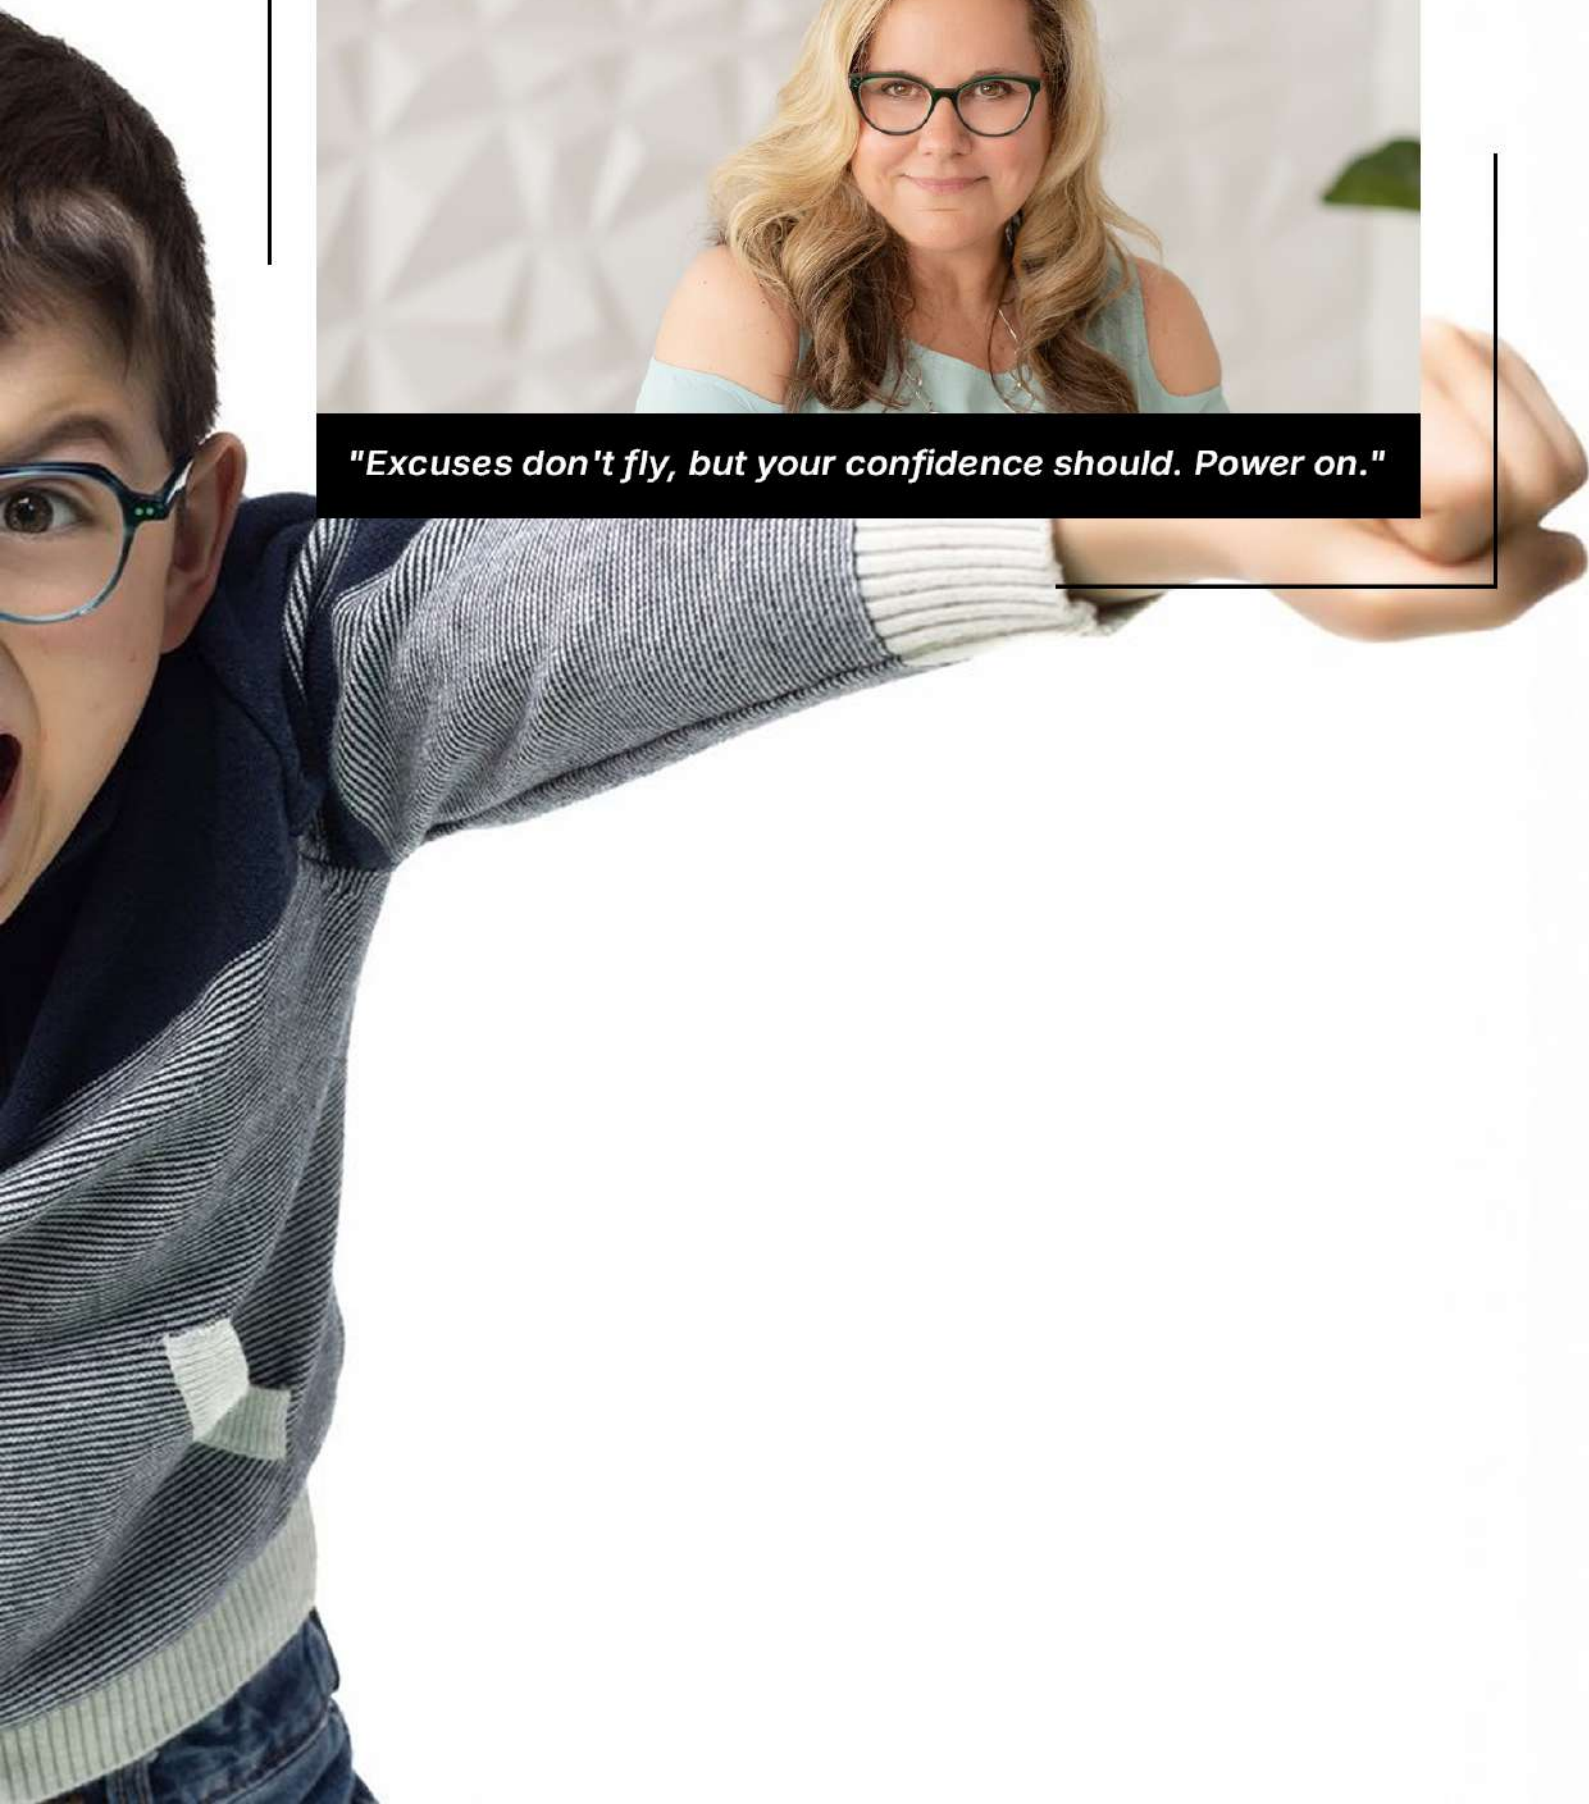

Every frame is designed to keep up with the kids who never slow down. Flexible enough for the playground. Durable enough for whatever comes next. Styled for the kid who already knows exactly who they are.

From their first pair to their teenage years, Eyetopia Inc's Kid Seen grows with them.

"Excuses don't fly, but your confidence should. Power on."

SEEN IN EVERY STYLE.

FEATURING
